We receive, collect and store any information you enter on our website or provide us in any other way. In addition, we collect the Internet protocol (IP) address used to connect your computer to the Internet; login; e-mail address; password; computer and connection information and purchase. We may use software tools to measure and collect session information, including page response times, length of visits to certain pages, page interaction information, and methods used to browse away from the page. We also collect personally identifiable information (including name, email, password, communications), comments, feedback, product reviews, recommendations, and personal profile.

When you conduct a transaction on our website, as part of the process, we collect personal information you give us such as your name, address and email address. Your personal information will be used for the specific reasons stated above only.

We collect such Non-personal and Personal Information for the following purposes:

- *To provide and operate the Services;*
- *To provide our Users with ongoing customer assistance and technical support;*
- *To be able to contact our Visitors and Users with general or personalized service-related notices and promotional messages;*
- *To create aggregated statistical data and other aggregated and/or inferred Non-personal Information, which we or our business partners may use to provide and improve our respective services;*
- *To comply with any applicable laws and regulations.*

Our company is hosted on the Wix.com platform. Wix.com provides us with the online platform that allows us to sell our products and services to you. Your data may be stored through Wix.com's data storage, databases and the general Wix.com applications. They store your data on secure servers behind a firewall.

All direct payment gateways offered by Wix.com and used by our company adhere to the standards set by PCI-DSS as managed by the PCI Security Standards Council, which is a joint effort of brands like Visa, MasterCard, American Express and Discover. PCI-DSS requirements help ensure the secure handling of credit card information by our store and its service providers.

We may contact you to notify you regarding your account, to troubleshoot problems with your account, to resolve a dispute, to collect fees or monies owed, to poll your opinions through surveys or questionnaires, to send updates about our company, or as otherwise necessary to contact you to enforce our User Agreement, applicable national laws, and any agreement we may have with you. For these purposes we may contact you via email, telephone, text messages, and postal mail.

If you don't want us to process your data anymore, please contact us at customerservice@getmaxflush.com or send us mail to: PO Box 6604 Saginaw MI 48608.

We reserve the right to modify this privacy policy at any time, so please review it frequently. Changes and clarifications will take effect immediately upon their posting on the website. If we make material changes to this policy, we will notify you here that it has been updated, so that you are aware of what information we collect, how we use it, and under what circumstances, if any, we use and/or disclose it.

The information contained herein is not legal advice and you should not rely upon it as such. Specific requirements regarding cookies may vary between states and / or jurisdictions, in accordance with local laws and data protection authority's views. As stated in our [Terms of Use](#), it is your responsibility to ensure that Wix services are permitted and abide by your local laws.

We strongly suggest you seek legal advice to better understand which requirements specifically apply to your jurisdiction, to ensure that you are fully compliant.

If you would like to: access, correct, amend or delete any personal information we have about you, you are invited to contact us at customerservice@getmaxflush.com or send us mail to: PO Box 6604 Saginaw MI 48609

Cookies On My Wix Site

Cookies are small pieces of data stored on a site visitor's browser. They are typically used to keep track of the settings users have selected and actions they have taken on a site.

In accordance with data privacy regulations, we must inform our visitors that we are using cookies on our site. This can be done by adding a section about our site's cookies.
